RE: 510 (c) Recommendation for PacifiCorp, Cottonwood/Wilberg Mine,
C/015/0019

As of this writing of this memo, there are no NOV's or CO's which are not corrected or in the process of being corrected for the Cottonwood/Wilberg Mine. There are no finalized civil penalties, which are outstanding and overdue in the name of PacifiCorp. PacifiCorp does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

LPE 76

Attached is an OSM recommendation from the Applicant Violator System with a determination that there are no violations associated with PacifiCorp.
